History and Philosophy of the Crease Monkeys

The Crease Monkeys were formed in April of 1998 to promote the sport of lacrosse by bringing together players from across the United States and overseas to play in lacrosse tournaments and provide instructional clinics.

Current and former Monkeys include some of the sport's elite players, including World Team members from the U.S., Canada, the Iroquois Nation, England and Australia, College All Americans and professional all stars from Major League Lacrosse and the National Lacrosse League. The Crease Monkeys have been featured in Lacrosse Magazine, Lacrosse Talk Magazine, and Inside Lacrosse Magazine and on many lacrosse websites including e-Lacrosse.com and AllLacrosseAmerica.com.

In the summer of 2002, the decision was made to expand The Crease Monkeys phenomena into club lacrosse. Transforming what had previously been a tournament and touring team, a new club from Harford County began playing in the American Lacrosse League. The new team kicked off its inaugural season in the spring of 2003.

It is in this spirit that we take the next logical step and introduce the Crease Monkeys Youth Lacrosse Club. Our goal is to become Harford County's premier youth lacrosse club in very short order. Be assured that the Harford club team will continue to adhere to the Crease Monkeys motto:

Make Great Friends, Play Great Lacrosse, Visit Great Places and Have Fun!
